I'm With You

You're standing on the bridge and waiting in the dark  
I thought that you'd be here by now  
There's nothing but the rain  
No footsteps on the ground  
I'm listening, but there's sound  
Isn't anyone trying to find me?  
Won't somebody come take me home?

CHORUS: It's a damn cold night  
Trying to figure out this life  
Won't you take me by the hand?  
Take me somewhere new  
I don't know who you are  
But I'm....I'm with you  
I'm with you

I'm looking for a place  
I'm searching for a face  
Is anybody here I know?  
'Cause nothing's going right  
And everything's a mess  
And no one likes to be alone

CHORUS: Isn't anyone trying to find me?  
Won't somebody come take me home?  
It's a damn cold night  
Trying to figure out this life  
Won't you take me by the hand?  
Take me somewhere new  
I don't know who you are  
But I...I'm with you.  
I'm with you

Why is everything so confusing?  
Maybe I'm just out of my mind. Yeah----

It's a damn cold night  
Trying to figure out this life  
Won't you take me by the hand  
Take me somewhere new  
I don't know who you are but I....
