- In this lyric, "I got you" means: I understand what you're saying.
- In this lyric, "I got you" means: I'll take care of it.

## Transcript

"I Got You"

Jack Johnson

Back when all my little goals seemed so important  
Every pot of gold fill and full of distortion  
Heaven was a place still in space not in motion  
But soon

I got you  
I got everything  
I've got you  
I don't need nothing  
More than you  
I got everything  
I've got you

We went walking through the hills  
Tryin' to pretend that we both know  
Maybe if we save up  
We can build a little home  
But then the hail storm came and yelled  
"You need to let go, you've got no control. No"

I got you  
I got everything  
I've got you  
I don't need nothing  
More than you  
I got everything  
I've got you

This weight's too much alone  
Some days I can't hold it at all

You take it on for me  
When tomorrow's too much  
I'll carry it all  
I've got you

And when tomorrow's too much  
I'll carry it all  
I got you

I got you  
I got everything  
I've got you  
I don't need nothing  
More than you  
I got everything  
I've got you
