Transcript

[Scene: Central Park, everyone's there.]

Joey: Your folks are really that bad, huh?

Ross: Well, y'know, these people are pros. They know what they're doing, they take their time, they get the job done.

Monica: Boy, I know they say you can't change your parents,... boy, if you could- (To Ross) -I'd want yours.

Ross: Must pee. (Goes to pee.)

Phoebe: Y'know, it's even worse when you're twins.

Rachel: You're twins?

Phoebe: Yeah. We don't speak. She's like this high-powered, driven career type.

Chandler: What does she do?

Phoebe: She's a waitress.

Rachel: All right, you guys, I kinda gotta clean up now. (They all start to leave.)

Monica: Chandler, you're an only child, right? You don't have any of this.

Chandler: Well, no, although I did have an imaginary friend, who... my parents actually preferred.

Rachel: The lights, please..

(Joey turns off the lights, and they all leave as Rachel starts to clean up. Ross enters from the bathroom.)

Ross: ...How long was I in there?

Rachel: I'm just cleaning up.

Ross: D'ya.. uh.. d'ya need any help?

Rachel: Uh.. okay, sure! Thanks! (She hands him the broom and sits down.)

Ross: Anyway.. um.. (Starts to sweep.) So, you- uh- you nervous about Barry tomorrow?

Rachel: Oh.. a little..

Ross: Mm-hmm..

Rachel: A lot.

Ross: Mm.

Rachel: So, got any advice? Y'know, as someone who's recently been- dumped?

Ross: Well, you may wanna steer clear of the word 'dumped'. Chances are he's gonna be this, this broken shell of a man, y'know, so you should try not to look too terrific, I know it'll be hard. Or, y'know, uh, hey!, I'll go down there, and I'll give Barry back his ring, and you can go with Carol and Susan to the OB/GYN...

Rachel: Oh, you've got Carol tomorrow.. When did it get so complicated?

Ross: Got me.

Rachel: Remember when we were in high school together?

Ross: Yeah.

Rachel: I mean, didn't you think you were just gonna meet someone, fall in love- and that'd be it? (Ross gazes at her.) ..Ross?

Ross: Yes, yes!

Rachel: Oh! Man, I never thought I'd be here.. (She leans back onto his hand.)

Ross: Me either... (He pulls up a stool so that he doesn't have to move his hand.)
